

PAID INTERNSHIP PROGRAM IN DIGITAL MEDIA

YOUR DIGITAL MEDIA CAREER STARTS HERE.

A 6 Months on-ground internship where you create real content, run real campaigns, and work with real industry partners — **not classroom assignments.**

What You'll Do

Learn essential tools across design, content and editing

Work on real brand projects

Create content across formats — posts, reels, videos, blogs, websites, and storytelling pieces.

Improve continuously through hands-on mentorship and guided execution.

Produce brand-specific work tailored to different styles and audiences.

Build strong industry experience that boosts your employability.
